# CABLE CLEAR®

FIBER OPTIC GEL /  
CABLE FLOODANT **REMOVER**

Cable Clear® is a safe, effective and easy to use natural solvent cleaner. Quickly removes cable, floodant/gels, water blocks, c-cement, filling compounds, greases, and other petroleum-based products from telecommunication cable filled (PIC) telephone cable, plastic tubes, and cladding fiber optic cable or filled CATV cable.

Cable Clear may be used on tools and equipment. Cable Clear is the ideal replacement for hazardous or toxic solvents.

Cable Clear is environmentally friendly and leaves no residue.

### DIRECTIONS

1. Remove plastic outer jacket from cable.
2. Apply Cable Clear to a lint-free cloth or apply directly on area to be cleaned.
3. Wipe cable clean with a twisting motion.
