

EverSolv³⁶⁰

Powerful Technology for Cleaning and Degassing Storage Tanks

- Quickly Dissolves Crude Oil and Other Heavy Petroleum Contaminants
- Eliminates LEL, H₂S, Benzene, and Other Gases
- Biodegradable
- Water Dilutable / Dispersible
- Non-Chlorinated
- Non-Toxic / Non-Corrosive
- Optimized for Circulation Cleaning
- High Solvency Strength

DANGER:

Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction.

Replacing hazardous solvents without compromising effectiveness.

EverSolv 360® safely and effectively penetrates, dissolves and removes heavy oil, asphalt, fuel products, paraffin, and other organic material associated with storage tanks and other industrial cleaning applications.

EverSolv 360 is highly concentrated, environmentally friendly, has a neutral pH, and significantly reduces total cleaning time.

Please contact BioChem Systems for technical support and directions for your specific application.

DANGER: Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. **PREVENTION:** Do not handle until all safety precautions have been read and understood. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Ground / bond container and receiving equipment. Use explosion-proof ventilating, lighting, electrical equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Avoid breathing vapors, spray, mist, gas. Wash hands, forearms and face thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Wear eye protection, face protection, protective clothing, protective gloves. Take off contaminated clothing and wash it before reuse. **RESPONSE:** IF SWALLOWED: Immediately call a POISON CENTER, a doctor. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water / shower. If on skin: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice / attention. Specific treatment (see first aid instructions on this label). In case of fire: Use alcohol resistant foam, carbon dioxide (CO₂), dry extinguishing powder, dry sand, dry chemical to extinguish. **STORAGE:** Keep container tightly closed. Store locked up in a well-ventilated place. Keep cool. **DISPOSAL:** Dispose of contents / container to hazardous or special waste collection point, in accordance with local, regional, national and / or international regulation.
