Please contact BioChem Systems for technical support and directions for your specific application.

degreasing of rail car components during repairs or maintenance.

DANGER: Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. PREVENTION: Do not handle until all safety precautions have been read and understood. Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No smoking. Use explosion-proof electrical / ventilating / lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Ground / bond container and receiving equipment. Avoid breathing vapors, spray, mist, gas. Wash hands, forearms, and face thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Take off contaminated clothing and wash it before reuse. Wear eye protection, face protection, protective clothing, protective gloves. RESPONSE: IF SWALLOWED: Immediately call a POISON CENTER, a doctor. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water / shower. Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice / attention. Specific treatment (see first aid instructions on this label). In case of fire: Use alcohol resistant foam, Carbon dioxide (CO₂), dry extinguishing powder, dry sand, dry chemical to extinguish. STORAGE: Keep container tightly closed. Store locked up in a cool, well-ventilated place. DISPOSAL: Dispose of contents / container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.

EMERGENCY TELEPHONE NUMBER PERS: (800) 633-8253

Distributed by BioChem Systems, Inc. 480 Wildwood Forest Dr., Spring, TX 77380 (800) 777-7870

Item # BF4055 – 55 gallon drum Item # BF4075 – 275 gallon tote

Powerful Technology for Cleaning and Degassing Railroad Tank Cars

- Quickly Dissolves Crude Oil and Other Heavy Petroleum Contaminants
- Eliminates LEL, H₃S, Benzene, and Other Gases
- Biodegradable / Fully Organic
- Non-Toxic / Non-Corrosive
- Water Dilutable / Dispersible
- Optimized for Steam Injection
- High Solvency Strength

DANGER:

Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction.

Replacing hazardous solvents without compromising effectiveness.
