

## EverSolv 360<sup>®</sup> is your ultimate solution for quickly cleaning and degassing storage tanks.

EverSolv 360<sup>®</sup> is a **powerful, environmentally friendly, and fully organic** solvent degreaser that can be applied by **circulation, spraying, or steam injection**. EverSolv 360 was engineered to significantly **reduce the time needed to clean and prepare petroleum storage tanks for entry and inspection**. EverSolv 360's **highly concentrated and versatile** formula can be diluted with water to minimize the amount of chemistry needed for efficient cleaning and degassing of heavy oil tanks and vessels.

EverSolv 360 **safely and quickly** penetrates, dissolves, and removes heavy oil, asphalt, fuel products, paraffin, and other organic materials associated with storage tanks and other industrial cleaning applications. It can also be used to degas vessels effectively, **reducing VOCs, LELs, and toxins such as H<sub>2</sub>S and benzene prior to entry for inspection**.

EverSolv 360 has a **neutral pH** and does not contain water, acids, bases, nitrogen, phosphates, chelating agents, ammonia, silicates, or oxygenated compounds. EverSolv 360 **is non-corrosive and exhibits excellent compatibility with all metals**.

EverSolv 360 has been **extensively field-tested** in refineries and petrochemical plants and does not contaminate refinery products or cause problems with waste treatment facilities or other processing units.

**Optimized for Circulation**  
**Water Dilutable / Dispersible**  
**High Solvency Strength**  
**Oil Soluble**  
**Non-Toxic / Non-Corrosive**  
**Biodegradable**  
**Non-Chlorinated**

#### AVAILABLE PRODUCTS

Item #BF3655 - 55 Gallon Drum

Item #BF3675- 275 Gallon Tote

## APPLICATIONS

- Tank Cleaning
- Sump Cleaning
- Pipeline Flushes

## REMOVES

- Asphalt
- Fuel Products
- Paraffin
- Heavy Oils

A WHOLLY OWNED  
SUBSIDIARY OF

Replacing hazardous  
solvents without  
compromising  
effectiveness.

### Product Usage

EverSolv 360 is oil soluble and stays in the oil phase upon emulsion separation. This enables the removed hydrocarbons to be re-processed through a refinery slop system or sold to a fuel blender, significantly lowering disposal costs.

To learn more about EverSolv 360® and its application, please contact your BioChem representative for more information.

<b>Item #</b>	BF3655, BF3675
<b>Physical State:</b>	Liquid
<b>Net Contents:</b>	55 gal, 275 gal
<b>Container Types &amp; Weights:</b>	Steel Drum - 55 gal - 453 lbs
	Tote - 275 gal - 2114 lbs

<b>Scent:</b>	Pine/Floral
<b>Color:</b>	Clear Straw
<b>Flash Point:</b>	108°F (42°C)
<b>Base Type:</b>	Terpenes
<b>Solvency/KB:</b>	150
<b>pH:</b>	Neutral (10% solution)
<b>Relative Evaporation Rate:</b>	< 1 (H <sub>2</sub> O = 1)
<b>Relative Density:</b>	0.84 @ 20°C (H <sub>2</sub> O=1)
<b>Restricted from Sale:</b>	None
<b>California Prop 65 Warning:</b>	None

**DANGER:** Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction.

**PREVENTION:** Do not handle until all safety precautions have been read and understood. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Ground / bond container and receiving equipment. Use explosion-proof ventilating, lighting, electrical equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Avoid breathing vapors, spray, mist, gas. Wash hands, forearms and face thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Wear eye protection, face protection,

protective clothing, protective gloves. Take off contaminated clothing and wash it before reuse.

**RESPONSE:** IF SWALLOWED: Immediately call a POISON CENTER, a doctor. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water / shower. If on skin: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice / attention. Specific treatment (see first aid instructions on this label). In case of fire: Use alcohol resistant foam, carbon dioxide (CO<sub>2</sub>), dry extinguishing powder, dry sand, dry chemical to extinguish.

**STORAGE:** Keep container tightly closed. Store locked up in a well-ventilated place. Keep cool.

**DISPOSAL:** Dispose of contents / container to hazardous or special waste collection point, in accordance with local, regional, national and / or international regulation.

**EMERGENCY TELEPHONE NUMBER PERS:**  
(800) 633-8253
